

# TABLE OF CONTENTS

**Introduction**     **SWT Policies, Procedures, Credit Applications, Banking, and Other Boring, but Necessary, Stuff**

**Section 1**     **SWT Ultraviolet Systems — Models, Technical Information**

**Spectrum Plus™** Chemical and Bacteria Filters (All in One)  
**Spectrum** Whole House Residential Point of Entry UV  
**Polisher™** In-Line UV for RO and Drinking Water Systems  
**Ultra Biolyte™** Countertop & Undersink UV  
**BetterLife™ Series** Patented Filters and Softeners with Integrated UV  
**ChloraStick™** Pipe Sanitizing System  
**Commercial/Industrial UV Systems** 3 to 1,345 GPM

**Section 2**     **SWT Drinking Water Filtration Systems (POU) — Who Needs RO?**

**Series 200** Point-of-Use Particulate, Chemical, Taste and Odor Removal  
**Series 200-UV** Same as Above with Ultraviolet Added  
**Series 300** Three Stage Version of Above for When Two Stages Won't do the Trick  
**Series 300-UV** Three Stage System Plus a Stainless Steel UV Chamber  
**Series 200BB** 10 inch and 20 inch High Flow Filtration Systems with a UV Chamber  
**Gemini** Bracketless Residential Drinking Water Systems, with and without UV  
**SWT Premium Faucets** Feature Long Reach Spouts with an Air Gap Option

**Section 3**     **SWT Reverse Osmosis Systems — Models, Technical Information**

**SWT Premium™** TFC Membrane RO System, 50 GPD  
**SWT MetalsMaster™** TFC Membrane RO System with Heavy Metal Prefiltration, 50 GPD  
**SWT BioMaster™** TFC Membrane RO System with Ultraviolet Postfilter, 50 GPD  
**Gemini Reverse Osmosis Systems** Most Compact 140 GPD Available  
**Commercial RO Systems** 400 to 18,000 GPD  
**Reverse Osmosis Components** for Residential, Commercial, and Industrial

**Section 4**     **SWT Residential Whole House Systems — Customized for Your Region**

**Softeners and Conditioners** Computer Metered and Clock Timer Units for Hard Water Systems, Hard Water and Nitrate Systems, Hard Water and Tannin Systems, Hard Water and Carbon Systems  
**AllSoft™** Twin Alternating Softening Systems  
**Soft n' Pure™** Whole House Water Purification Systems with Softener and Chemical/Bacteria Filter  
**Nitrate Removal Systems**  
**Tannin & Organic Removal Systems**  
**Sediment Systems** with Automatic or Manual Backwashing  
**Carbon Systems** with Automatic or Manual Backwashing  
**Iron and Hydrogen Sulfide Removal Systems**  
**Hydrogen Peroxide Dosing Systems**  
**Specialty Carbon Filtration Systems** Chloramines, Radon, VOC, and BOD Reduction  
**BraneWave™ UF Systems** 0.02 Micron Ultrafiltration

**Section 5**     **SWT Commercial / Industrial Equipment — 0 to 500 GPM**

**Water Softeners** with Time Initiated or Computer Metered Regeneration  
**Sediment Filters** with Automatic Backwash  
**Carbon Filters** In-line and Automatic Backwash  
**Iron, Hydrogen Sulfide, and Heavy Metal Filters** with Automatic Backwash  
**Multi-media and Sand Filters**

(Continued on other side)

# TABLE OF CONTENTS

<b>Section 6</b>	<b><i>Residential, Commercial, and Industrial Components</i></b> <b>Fiberglass Pressure Tanks</b> Wound and Molded from 6 inch to 63 inch in Diameter <b>Steel Pressure Tanks</b> Lined and Primed <b>Tank Heads and Adapters</b> <b>Manual Backwashing Valves</b> <b>Control Valves</b> for Residential and Commercial Softening and Filtration <b>Industrial Controllers, Stagers, Diaphragm Valves, and Flow Meters</b> <b>Industrial Diaphragm Valve Nests</b> Pre-designed for All Types of Systems <b>Distribution Systems, Underdrain Assemblies, and Bulk Internals</b> for All Tank Sizes <b>Hubs and Laterals</b> Customized to Fit Any Application <b>Pressure Tank Fittings, Flex Connectors, and Vacuum Breakers</b> <b>Brine and Chemical Storage Tanks</b> <b>Commercial Brine Safety Floats</b> <b>PVC Pipe and Plumbing Fittings</b> <b>Flow Controls</b>
<b>Section 7</b>	<b><i>Filtration Media, Zeolites, Carbons, Ion Exchange, Etc.</i></b> <b>FilterEase™ &amp; FilterEase-HD™</b> Hard as Rock, Lighter Than Sand, 20 Micron Particulate Filtration <b>MetalEase™, MetalEase-AS™, &amp; MetalEase-61™</b> Removes Iron, Hydrogen Sulfide and Other Heavy Metals without Chemicals — Simple Backwashing Cleans the Bed <b>ProActive™ GAC</b> SWT's Brand of Coal Based, Acid Washed, Coconut Shell, and Catalytic Carbons <b>Zeolite</b> Safe, Natural, Nontoxic, and Inexpensive Particulate Reduction Media <b>KDF®</b> Low Level Chlorine Treatment <b>pH Neutralizer</b> Raise Your pH <b>Manganese Greensand</b> Oxidizing Agent Carrier <b>Anthracite, Sand, Silica, Quartz, Gravel, &amp; Garnet</b> Not to be Taken for Granite (All NSF Approved) <b>ProSoft™ Gold, Premium, Fine Mesh, High Porosity, &amp; Heavy Duty</b> The Professionals' Softening Resin Line <b>ProSelect™ General Purpose, Tannin, Nitrate, &amp; Silica</b> Selective Resin Line—Simple Cures for Common Problems <b>ProBlend™ High Capacity Mixed-Bed &amp; Semiconductor</b> SWT's Most Requested Mixed Bed Resins <b>Carbon &amp; Resin &amp; Media Selection &amp; Compatibility Guides &amp; Tables</b> and More Reference Materials
<b>Section 8</b>	<b><i>Filter Housings and Cartridges — Unbelievably Large Selection, If You Need it, We Got it!</i></b> <b>Plastic, Stainless Steel, Valve-in-Head, Single &amp; Multi-Cartridge Housings</b> We Have Them All <b>Sediment, Carbon, Specialty, High Temperature, and Inline Cartridges</b> to Fit All the Above <b>Absolute Rated Cartridges</b> <b>Bag Filter Housings and Bag Filters</b>
<b>Section 9</b>	<b><i>Chemical Treatment Equipment</i></b> <b>Air Injectors</b> <b>Inline Static Mixers</b> <b>Chemical Feed Pumps</b> Fixed Feed, Adjustable Feed, and Dual Control Feed Rate Pumps <b>Chemical Storage and Feeder Tanks</b>
<b>Section 10</b>	<b><i>The Last Section — Technical Stuff that Fits Nowhere Else in the SWT Catalog</i></b> <b>Advice from Rusty:</b> Analysis forms to help us do our job better.
